## ISACHD to gather where our ACHD community gathers

Dear ISACHD Members:

On behalf of current President Erwin Oechslin and incoming President Helmut Baumgartner we are pleased to inform you, as discussed at the gathering at Anaheim (AHA 2017), we will be relocating our ISACHD semiannual meetings to where our members most frequently gather. Hence there will be **no ISACHD meeting at Orlando at ACC** in March, but we look forward very much to welcoming you to a business meeting to update you on our Society and its exciting developments at the **28th International Symposium on Adult Congenital Heart Disease in Toronto** in June. We trust this will foster improved connectivity for ISACHD as part of the mission of our community to enhance the care of adults with congenital heart disease.

Registration and call for abstracts for the 28<sup>th</sup> International Symposium in Toronto are open: [www.torontoachdconference.ca](http://www.torontoachdconference.ca)  
Details for the ISACHD gathering will follow. See you in Toronto!

For those visiting Munster for **EuroGUCH 2018** look out for update from ISACHD in the Saturday Program, there will be a presentation about ISACHD on Saturday afternoon – see meeting information at: <http://wp1.euroguch.com>

Best wishes  
Your ISACHD team
