Adult Congenital Heart Disease Board Review Course and Practice Update

COURSE DESCRIPTION

This 2-day course will include live presentations that will review all the major topics included in the ABIM ACHD blueprint. Additional important topics will be available on-line and on demand. There will be a pre-test and post-test available with learning objectives and detailed review. Attendees will be given exclusive access to pre-recorded videos providing information on topics identified as essential by the ABIM ACHD.
